

# Do you have Giant Gippsland Earthworms? How do you plant in proximity to GGE colonies?

**When:** Monday 20th October 2014

**Where:** Meet at the Poowong North Hall—Timms Road

**Time:** 10.00am to 1pm (lunch provided)

**Speakers:** Dr Beverley Van Praagh—Invert-Eco Consultancy  
and GGE Recovery Team

Nick Dudley—Team Leader, DEPI

Rob Waddell—Grand Ridge Nursery

This Field Day will visit two demonstration sites that have been established as part of the Building Capacity to Manage GGE Habitat on Farms Project to trial modified revegetation techniques for typical GGE habitat

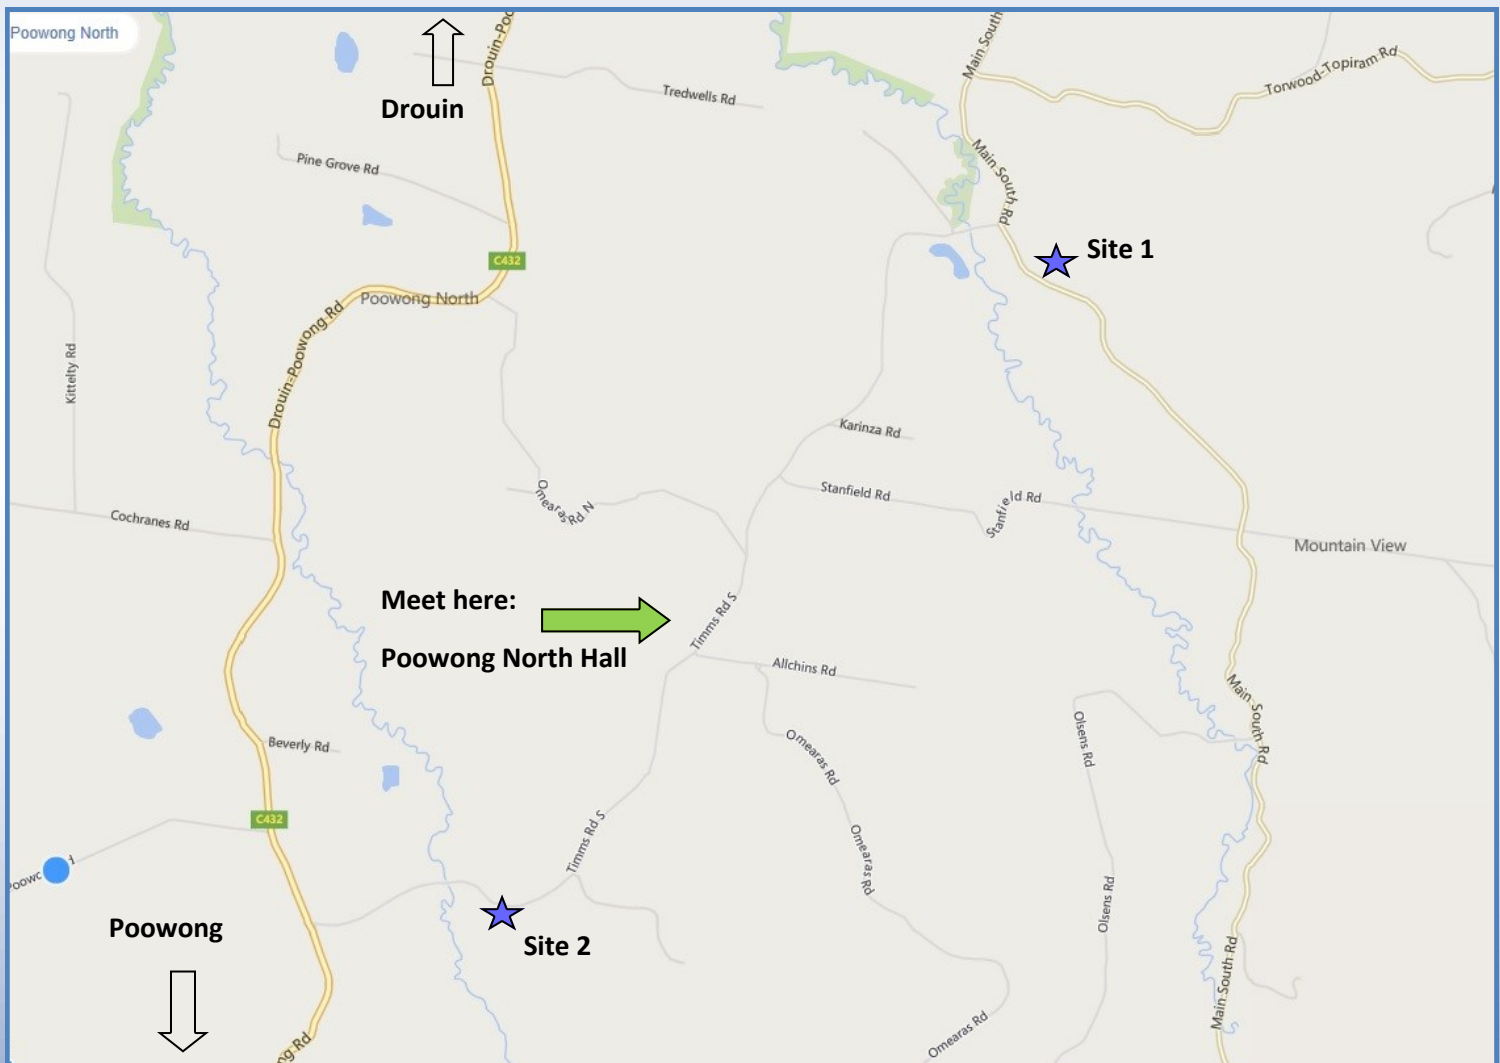

See next page for more details
